GLOBAL CRISIS

- Water-borne diseases are responsible for **80-percent of illnesses** and deaths in the developing world, **killing a child every 15 seconds.**
- **Every day 4,400 children under the age of 5 die** around the world, having fallen sick due to a lack of safe drinking water and sanitation.
- **Five times as many children die** each year of diarrhea than of HIV/AIDS.
- A **third of the world's** population is enduring some form of water scarcity.
- **One in every six human beings** has no access to clean water within a kilometer of their homes.
- **Half of all people** in developing countries have no access to proper sanitation.

To find out more about these statistics, visit the United Nations' website www.un.org/millenniumgoals.

Did you know that lack of safe drinking water and adequate sanitation is the world's single largest cause of illness?

The mission of **Industry's Humanitarian Support Alliance NGO, Inc. (IHSAN)** is to encourage industry, academia, and individuals to form a **global alliance** committed to **empowering disadvantaged communities** worldwide.

Together we will increase the availability of safe drinking water, adequate sanitation/ hygiene, and related education through sustainable development projects, technology, and knowledge sharing.

Are you ready to make a difference?

INDUSTRY SPONSORS

IHSAN is looking for Industry sponsors to provide support -- financial, technical, and talent -- to our current and future global projects. Here are some reasons why your company should join the global alliance:

- IHSAN projects provide an **entry strategy** into developing markets where sustainable projects are implemented. These projects provide **market-based, cost-effective solutions** and competitive advantages.
- IHSAN provides Industry with **inspired, trustworthy, and credible IHSAN members** who know local community needs and work on a **volunteer basis**; therefore, decreasing Industry's overhead for philanthropic projects.
- IHSAN understands the importance to Industry sponsors of **combining philanthropy with profit generation** and tailors each sponsorship accordingly.
- IHSAN facilitates Industry's **socially responsible spending** over a wide geographical area, **expanding the public image** of each contributing sponsor.
- IHSAN's **strengths** come from the collective technological, academic, and business expertise of our **worldwide membership base**, to which Industry sponsors have unfettered access.
